GENERAL PRICE LIST

The prices are effective as from **September 21, 2021** and are subject to change without notice. The goods and services shown below are those that we can provide to our customers. You may choose and pay for only the items you desire, however, any direct disposition arrangements you select must include a charge for our basic services and overhead.

Please note that there may be additional charges for extra expenses and special request items not listed, such as newspaper notices, Cemetery fees, Medical Examiner fees, removals after normal operating hours etc. These extra charges are listed on the back side of this General Price List.

BASIC SERVICES OF DIRECT DISPOSER AND STAFF \$395.00

Our fee for the basic services of Direct Disposer and Staff includes, but is not limited to staff to respond to the initial request for service, arrangement conference with family and responsible parties. Preparation and filing of necessary authorizations and permits, recording of vital statistics and coordination with crematory. In addition, this fee includes a proportionate share of our overhead cost, such as facilities maintenance, equipment and inventory cost, insurance and administration expenses, and government compliance. This fee is already included in our Direct Cremation Packages.

TRANSPORTATION \$225.00

Removal from place of death and transportation to the refrigeration/cremation facility, during normal hours of 8:00 a.m. to 5:00 p.m., (within a 20 mile radius), additional mileage (over 20 miles) @ \$3.00 per mile one way. Removal of remains with a weight over 300 pounds and under 400 pounds will incur an additional charge of \$100.00. A weight over 400 pounds up to 550 pounds will incur an additional \$275.00. Over 550 pounds, price on request.

REFRIGERATION (Up to 5 days)..... \$150.00
